To Whom it may concern

I'm currently the named midwife for Swetha Ravindra DOB 15/11/1988. Swetha is expecting her 2nd baby due on the 13/3/2017. Her pregnancy is classed as high risk as Swetha has had a previous caesarean section. Swetha is aiming for a normal vaginal delivery this time.

Swetha is requiring her mum to be present to help and assist with the care of her previous child and the newborn and I would appreciate if you were able to look into the visa application that has been submitted for her mum.

Kind regards
